📍 Rajkot, Gujarat, India

SUMMARY

Motivated and dedicated B.Sc. IT student with hands-on experience in programming, networking, and system administration. Passionate about solving real-world tech problems and contributing to innovative projects. Seeking to utilize and expand my technical skills in a growth-oriented organization, while continuously enhancing my knowledge in the technology sector.

EXPERIENCE

Computer Teacher & Lab Administrator

Kailali National Academy

📅 06/2022 - 08/2023 📍 Nepal

Description:
- Delivered practical and theoretical lessons in basic computer science, Microsoft Office, and internet usage to secondary-level students
- Managed and maintained computer lab systems, ensuring smooth operation of hardware and software
- Installed and configured operating systems, applications, and network setups for lab use
- Provided technical support to faculty and students, resolving day-to-day IT issues
- Conducted workshops on computer fundamentals and safe internet practices
- Assisted with printer setups, LAN configurations, and antivirus maintenance
- Collaborated with faculty to integrate technology into teaching methods
